

INTRODUCING
Facilities & Event Management's
A-LISTER AWARDS

The live entertainment industry's elite - luminaries such as Sir Elton John, Bruce Springsteen, Celine Dion, Steve Martin, Jeff Foxworthy and Katy Perry - are continually being recognized for their compelling live performances and creative contributions to popular culture. Yet instrumental to these performers' live acts are another group of brilliant individuals, namely, **venue executives, booking agents, promoters and talent buyers**. Many of these professionals are "A-listers" in their own right, and deserve to be recognized for helping to create today's best live entertainment experiences.

And what more meaningful praise than peer-to-peer? **Facilities & Event Management's A-Lister Awards**, whose inaugural edition will appear in the **2022 F&EM SuperBook**, are designed to foster that recognition among the industry's leaders on an annual basis.

Consider who are this year's **A-Listers**, and take a moment to fill out the ballot below and nominate individuals in one or more of the following categories: **Arena Executive of the Year, Theater Executive of the Year, Booking Agent of the Year, Promoter of the Year** and **Talent Buyer of the Year**.
